RICO EXPANDS – NEW OFFICE ADDRESS

FOR IMMEDIATE RELEASE

(December 12, 2005 – Medina, Ohio) Effective January 9, 2006, RICO will be moving into their newly constructed office building. Although the offices are still located on the current RICO property, they do have a new address. RICO has asked that all their customers, vendors and dealers update their RICO contact information.

OLD ADDRESS

BPR/RICO Equipment, Inc.
120 North State Road
Medina, OH 44256 USA

NEW ADDRESS

BPR/RICO Equipment, Inc.
691 West Liberty Street
Medina, OH 44256 USA

For those people familiar with our current facilities, these newest offices are adjacent, and to the east, of both our #1 and #2 manufacturing buildings. Street access is still available from the 120 North State Road address as well as the newly constructed main entrance at 691 West Liberty Street.

“The move to our new headquarters is yet another milestone in our company’s history of investing in both products and customers. Our new facility directly enhances our ability to serve our current customers,” says company president Dave Mueller.

“These new offices were built in conjunction with our #3 manufacturing plant. The offices feature state of the art video conference rooms on each floor and brings our total plant size to 125,000 sq/ft,” says Mueller. An open-house is being planned for February 2006.
